

P.E.O. Educational Loan Fund

POLICIES GOVERNING LOANS

I. PURPOSE

The P.E.O. Educational Loan Fund (ELF) makes loans available to qualified women who desire a higher education and are in need of financial assistance.

II. LOAN INFORMATION

The P.E.O. Educational Loan Fund trustees evaluate each application and determine the specific amount to be approved. The decision is based on the program of study and availability of funds. A student may apply for a loan up to the amount recommended by her sponsoring chapter.

Maximum loan amounts are:

- \$12,000 for a non-degree accredited program, an associate or bachelor's degree
- \$15,000 for a master's degree
- \$20,000 for a doctoral degree

Monies received from the P.E.O. Educational Loan Fund shall not be used for debt reduction (educational, personal, etc.).

Qualified Accredited Programs of Study

All programs and schools must be accredited U.S. or Canadian postsecondary institutions. Qualified programs of study include:

- Non-degree programs such as commercial, technical, vocational, professional training, certification, licensure or an endorsement will be evaluated on an individual basis
- An associate, bachelor's, master's or doctoral degree program
- Loans for online programs at accredited schools will be considered
- An internship or study abroad program that is included in an approved U.S. or Canadian degree program may be eligible

Loan Installments

Eligibility for one installment:

- Final year of associate or bachelor's degree
- Master's or doctoral degree
- Certificate, license or endorsement

Eligibility for two installments:

- Associate degree first-year student must complete one grading period before drawing a loan installment
- Bachelor's degree in the final two years
- Master's or doctoral degree

Each installment requires a separate promissory note provided by the P.E.O. Executive Office. Both the borrower and cosigners must sign, notarize and return each note before the check is issued. The check is sent directly to the student. The first check must be issued within six months of the date of loan approval.

Canadian Funds

Loans to Canadian women will be paid in Canadian dollars. The only exception will be if the Canadian recipient attends an accredited U.S. postsecondary institution and incurs expenses in U.S. dollars. Payment may then be in U.S. dollars if requested by the recipient. In this case, the borrower must agree in writing to repay the loan in U.S. dollars.

Interest

Following the graduation date originally stated on the application, interest will begin accruing and will be billed on an annual basis. The current loan interest rate can be found in The P.E.O. Record and on the P.E.O. International website (www.peointernational.org).

Scholastic Standing/Transcripts

An applicant must maintain the scholastic grade point average required for graduation by the school of her registration. A transcript of grades is submitted to the P.E.O. Executive Office as part of the application process and, if requested, before each loan installment is drawn.

The applications of individuals who satisfy the eligibility criteria will be evaluated on a nondiscriminatory basis without consideration of race, national origin, religious affiliation or disability.

Cosigners

Two financially responsible adult cosigners, who are citizens or legal permanent residents and reside in the United States or Canada, are required for each loan. Spouses, fiancés or partners may not cosign an ELF loan. An individual will be allowed to cosign a maximum of two active ELF loans providing the first loan is in good standing. Each cosigner must consent to P.E.O. International obtaining his/her credit report and must meet the minimum credit score of 650. Cosigners agree to pay the debt should the borrower fail to do so.
