

Program for Continuing Education Policy Guidelines and Procedures

I. Purpose

III. Amount of Grant

The maximum grant is \$3,000. A request for less than a maximum grant is encouraged when the full amount is not essential. The total grant awarded is based on the availability of funds and applicants' individual needs. Regardless of the amount awarded, recipients are only eligible to receive one PCE grant.

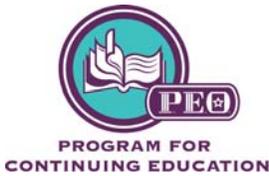

Grants to Canadian women will be paid in Canadian dollars unless attending an educational program in the U.S.; then payment may be in U.S. dollars if requested by the recipient.

PROCEDURES FOR SPONSORSHIP

I. Interview

When a local chapter identifies a prospective applicant, the chapter chairman will schedule an interview. The PCE *Pre-Application Eligibility Worksheet* and the *Pre-Application Income and Expense Worksheet*, available on the PCE portion of the P.E.O. International website, are to be used by the interviewing committee. No guarantee should be given as to eligibility or the probability of receiving a grant in the amount requested.

II. Chapter Approval

Chapter approval is granted by a majority voice vote at a regular or special meeting.

III. Recommendation Process

PCE recommendations may only be submitted electronically using the online *Chapter Recommendation Form*. Instructions and form can be found on the PCE member page of the P.E.O. International website. The chapter recommendation may not be written by a family member.

Once the recommendation is reviewed, instructions will be emailed to the applicant, including the specific deadline for submitting her completed forms.

IV. Due Date for Completed Application

Each applicant is given 30 days from the date she receives the email from the PCE Supervisor to complete and submit her forms. The local chapter contact will be sent an email with the applicant's submission deadline and should follow up with the applicant to make certain she submits her information on or before the submission deadline date.

V. Result of Grant Consideration

When a grant is awarded, a check in the recipient's name is mailed to the local chapter's PCE contact as listed on the chapter recommendation form. The check should be presented personally to the recipient, preferably at a meeting of the chapter. The check should be cashed promptly; the check is void 90 days after issue date and will not be reissued. In the event the recipient is unable to begin her studies as scheduled, the grant check should be returned to the PCE office.

In the event an applicant is not awarded a grant the denial letter is sent to the chapter contact who has the responsibility of presenting this information to the applicant. If grant denial is due to an insufficient financial plan, the trustees encourage a reapplication with an improved financial plan.

VI. Chapter Involvement

Local chapters are encouraged to become involved in developing the potential of women in their own communities. The personal interest and encouragement shown by the chapter members are often as important as the grant itself in assisting the student as she faces a change in her life situation. The P.E.O. Program for Continuing Education is a combined effort of all P.E.O. members, the sponsoring chapter, and the grant recipient.
